Policy Statement

Our intention at **Christchurch Kindergarten Children's Nursery Limited** is to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible, in written and spoken form and, where appropriate, in more than one language. We will provide translated written materials where language needs of families suggest this is required as well as access to an interpreter.
- We arrange our waiting list in birth order. In addition our policy may take into account the following:
 - Availability of days and timing required; and
 - siblings already attending the setting.
- We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.
- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or from English being a newly acquired additional language.
